

Brio Bakery is one of Edmonton's fastest-growing independently-owned bakeries, located in the vibrant Exchange Building in Edmonton's "Oliver" neighbourhood. We are looking for a passionate team player interested in being part of our bakery team. Our bakers bake a wide variety of breads, viennoiserie, and other bakery products from scratch. At Brio, we use high-quality ingredients and traditional baking processes (naturally leavened breads, hand shaping) blended with modern equipment. Our bakers are dedicated to the craft of baking, understanding all aspects of the process to create the best quality product for our customers.

We are looking for a **Kitchen Assistant/Dishwasher** to work 20 to 25 hours per week. Our Kitchen Assistant/Dishwasher is a key cog in the kitchen, supporting the production team to make the best quality product we can for our customers. This position offers a vibrant work environment and competitive compensation.

Compensation includes competitive hourly pay, plus tips and benefits, including health, dental, prescription and life/AD&D insurance.

#### **Job Description:**

Your days will vary but some typical tasks you'll be doing include:

- Dishwashing
- Cleaning of all implements, equipment, work surfaces and areas
- General bakery cleaning, including sweeping and mopping floors
- Cleaning bread baskets and couches
- Supporting our bakers with ingredient prep and scaling
- Preparing and slicing wholesale orders
- Customer service to cover for lunch breaks

#### **Qualifications:**

- Basic kitchen skills considered an asset
- AHS food safety certification considered an asset
- Great attitude with a desire to learn
- Team player
- Excellent communication skills
- Ability to lift heavy items (up to 20 kg/44 lbs)
- Physical stamina to work in a physical environment, on your feet most of the day
- Willing and able to work varied shifts on weekdays and weekends between the hours of 5 am and 5 pm

Our ideal candidate has a passion to learn and work in a small, independent artisan bakery. We will provide training.
